Vocab: adventure, delighted, dreamed, enjoyed, grumbled, moonlight, neighbor, nighttime

## Notes from the Teacher

As we continue learning money and time, please practice using coins or telling time at home! When buying something at the store, have your child count out the change. Talk about the coins: what they are called and their value. Point to analog clocks and have your child start looking for the hour and minute hand. Second grade is the most important year for time and money, so please help your child at home!

Key Concept: **Look at the Sky**

Essential Question: What can we see in the sky?

Our anchor text is "Mr. Putter and Tabby See the Stars" The GENRE is fiction.
